Week 2 | Teaching map

October 19 to 23 | Show what changed

Reading and writing

Grade 3

TEKS 3.9D(i)

Recognize characteristics and structures of informational text, including: the central idea with supporting evidence.

In plain English: Identify an informational text's central idea and the details that support it.

TEKS 3.6G

Evaluate details read to determine key ideas.

In plain English: Decide which details matter and use them to work out the text's key ideas.

TEKS 3.7D

Retell and paraphrase texts in ways that maintain meaning and logical order.

In plain English: Retell or put a text into your own words while keeping its meaning and order.

TEKS 3.7B

Write a response to a literary or informational text that demonstrates an understanding of a text.

In plain English: Write a response that shows you understand a story or information text.

2026-10-19

Identify what the pumpkin book teaches us about.

2026-10-20

Choose important details about pumpkin growth and use them to explain a key idea.

2026-10-21

Put pictured stages of pumpkin growth in order.

2026-10-22

Show how a growth detail supports the book's main idea.

2026-10-23

State the main idea and show one supporting pumpkin fact.

Grade 4

TEKS 4.8B

Explain the interactions of the characters and the changes they undergo.

In plain English: Explain how characters affect one another and how they change during the story.

TEKS 4.8C

Analyze plot elements, including the rising action, climax, falling action, and resolution.

In plain English: Explain how a story builds to its turning point and moves toward a solution.

TEKS 4.8A

Infer basic themes supported by text evidence.

In plain English: Work out a story's message and support it with evidence from the text.

TEKS 4.7C

Use text evidence to support an appropriate response.

In plain English: Support an answer with something the text actually says or shows.

TEKS 4.7B

Write responses that demonstrate understanding of texts, including comparing and contrasting ideas across a variety of sources.

In plain English: Write to show understanding, including how ideas are alike and different across texts.

2026-10-19

Explain how an animal's help changes what the witch does.

2026-10-20

Explain why the witch gives a helper a place on the broom.

2026-10-21

Use the animals' actions to explain how they solve the danger.

2026-10-22

Explain a message about helping, using a scene as evidence.

2026-10-23

Explain how cooperation changes the outcome, using book evidence.

Teach and collect evidence

Use the dated lesson sheet for I Do, We Do, You Do and the independent rotation. Record the exact response, correct/total and support separately. Friday checks use the same targets.

Math

Grade 3

TEKS 3.4H

Determine the number of objects in each group when a set of objects is partitioned into equal shares or a set of objects is shared equally.

In plain English: Find how many objects are in each group after sharing equally.

TEKS 3.4J

Determine a quotient using the relationship between multiplication and division.

In plain English: Use a related multiplication fact to solve a division problem.

2026-10-19

Share 6 counters between 2 plates, then show how many are in each group.

2026-10-20

Share 6 counters between 2 plates, then show how many are in each group.

2026-10-21

Share 6 counters between 2 plates, then show how many are in each group.

2026-10-22

Share 6 counters between 2 plates, then show how many are in each group.

2026-10-23

Share 6 counters between 2 plates, then show how many are in each group.

Grade 4

TEKS 4.5A

Represent multi-step problems involving the four operations with whole numbers using strip diagrams and equations with a letter standing for the unknown quantity.

In plain English: Represent multi-step problems using the four operations, diagrams and equations with a letter for the unknown.

2026-10-19

Model 3 bags of 2 pencils, then give away 2. Choose operations and show 4 left; use n for the unknown when ready.

2026-10-20

Model 3 bags of 2 pencils, then give away 2. Choose operations and show 4 left; use n for the unknown when ready.

2026-10-21

Model 3 bags of 2 pencils, then give away 2. Choose operations and show 4 left; use n for the unknown when ready.

2026-10-22

Model 3 bags of 2 pencils, then give away 2. Choose operations and show 4 left; use n for the unknown when ready.

2026-10-23

Model 3 bags of 2 pencils, then give away 2. Choose operations and show 4 left; use n for the unknown when ready.

Teach and collect evidence

Use the dated lesson sheet for I Do, We Do, You Do and the independent rotation. Record the exact response, correct/total and support separately. Friday checks use the same targets.

Science

Grade 3

TEKS 3.7A

Demonstrate and describe forces acting on an object in contact or at a distance, including magnetism, gravity, and pushes and pulls.

In plain English: Show and explain pushes, pulls, gravity and magnetism, including forces that act without touching.

TEKS 3.7B

Plan and conduct a descriptive investigation to demonstrate and explain how position and motion can be changed by pushing and pulling objects such as swings, balls, and wagons.

In plain English: Plan and carry out a test showing how pushes and pulls change position or motion.

2026-10-19

Show how a push or pull changes motion.

2026-10-20

Show how a push or pull changes motion.

2026-10-21

Show how a push or pull changes motion.

2026-10-22

Show how a push or pull changes motion.

2026-10-23

Show how a push or pull changes motion.

Grade 4

TEKS 4.8A

Investigate and identify the transfer of energy by objects in motion, waves in water, and sound.

In plain English: Investigate how moving objects, water waves and sound transfer energy.

2026-10-19

Observe energy moving from one object to another.

2026-10-20

Observe energy moving from one object to another.

2026-10-21

Observe energy moving from one object to another.

2026-10-22

Observe energy moving from one object to another.

2026-10-23

Observe energy moving from one object to another.

Teach and collect evidence

Use the dated lesson sheet for I Do, We Do, You Do and the independent rotation. Record the exact response, correct/total and support separately. Friday checks use the same targets.

Social studies

Grade 3

TEKS 3.9A

Identify characteristics of good citizenship, including truthfulness, justice, equality, respect for oneself and others, responsibility in daily life, and participation in government by educating oneself about the issues, respectfully holding public officials to their word, and voting.

In plain English: Recognize responsible citizenship, including honesty, fairness, respect and participation in government.

TEKS 3.9C

Identify and describe individual acts of civic responsibility, including obeying laws, serving and improving the community, serving on a jury, and voting.

In plain English: Describe civic responsibilities such as following laws, helping the community, jury service and voting.

2026-10-19

Name a responsible action.

2026-10-20

Explain how a helpful action serves the community.

2026-10-21

Use a source detail to show responsible citizenship.

2026-10-22

Choose a helpful action and explain its effect.

2026-10-23

Show one example of responsibility with evidence.

Grade 4

TEKS 4.2A

Summarize motivations for European exploration and settlement of Texas, including economic opportunity, competition, and the desire for expansion.

In plain English: Explain why Europeans explored and settled Texas, including opportunity, competition and expansion.

TEKS 4.2B

Identify the accomplishments and explain the impact of significant explorers, including Cabeza de Vaca; Francisco Coronado; and René Robert Cavelier, Sieur de la Salle, on the settlement of Texas.

In plain English: Explain named explorers' accomplishments and their effects on Texas settlement.

2026-10-19

Show why Europeans explored Texas.

2026-10-20

Connect a named explorer to an accomplishment.

2026-10-21

Find a route or result in a district map/source.

2026-10-22

Explain one effect of an explorer's actions.

2026-10-23

Match an explorer, motivation and result.

Teach and collect evidence

Use the dated lesson sheet for I Do, We Do, You Do and the independent rotation. Record the exact response, correct/total and support separately. Friday checks use the same targets.
