Week 4 | Real-book guide

November 2 to 6 | Autumn leaves travel wherever the wind carries them.

One book, all subjects

Leaf Man | Autumn leaves travel wherever the wind carries them. Math: Sort leaf picture cards by color, shape or setting; count each group and show the week's table or fraction target. Science: Observe leaves in light and shade, then make a safe wind test and describe what changes the leaves' motion. Social studies: Compare familiar local places with the marsh, orchard and fields in the illustrations; identify how people use each place. Finish: Create a leaf collage character and map the places it visits in order.
